

**Checklist for assessment of the farm suitability**

1. Farmer Legal Entity /FLE/:

2. **Company name:** ECOSYST AGRO EOOD

3. ЕИК: 203457757

**ASSESSMENT CRITERIA**

| No. in row | Minimum requirements to the farm                                                                   | YES  | NO* |
|------------|----------------------------------------------------------------------------------------------------|------|-----|
| 1          | The farm has production volume to take part in a project. (КЛ-6)                                   | YES  |     |
| 2          | The projects will be implemented on the same land for at least 5 years.                            | YES  |     |
| 3          | The farm is using appropriate methods of production to participate in a project. (КЛ-4)            | YES  |     |
| 4          | The farm realizes the production in % (enter %).                                                   | 100% |     |
| 5          | The farm has appropriate equipment for tillage to take part in a project. (КЛ-5)                   | YES  |     |
| 6          | The farm uses professional agronomic/veterinary services for production to take part in a project. | YES  |     |
|            | <b>TOTAL:</b>                                                                                      | 6    |     |

\*In the presence of one answer "No", the applicant for a project will not be approved.

**RECOMMENDATION**

|   |                    |     |    |
|---|--------------------|-----|----|
| 1 | <b>DECISION**:</b> | YES | NO |
| 2 | <b>APPROVED</b>    | YES |    |

\*\*Note: In case of refusal a Prescription for bringing into suitability will be drawn up.
